Letter from God...

Use this in your group to get the group to consider what God says and feels about them. There are 2 ways to use this. One, read these questions to the group and give them space to answer. Two, give these questions to your group and give them 15-30 min or so to answer them. Either way you do this, spend time debriefing and sharing at the end of the group.

In light of what scripture says about how God views you, ask God the following questions, listen to what He says & write a letter to yourself from God by writing how He responds to each of these questions...

- How Did God react when you were conceived?
- How did He celebrate when you were born?
- what are a few of His favorite characteristics of you?
- How does He see you?
- What are His deepest desires for you?
- What are His intentions for you?
- How has He pursued you? How is God pursuing you?
- What does He enjoy about the adventures you embark on together?
- What is He looking forward to in regards to you?
- How does He want to surprise you?

*Take it further:

Look up scripture that affirms each of the things you wrote. Memorize some of these scriptures.
