

DIGGING DEEPER

GIFT TO THE WORLD

DECEMBER 23/24

Giving and receiving gifts is almost universal. Usually when we get a gift, we are receiving something we did not pay for and did nothing to earn. It's given to us out of love. Jesus was the ultimate embodiment of this. He bridged the gap between us and God and gave us the gift of life.

Work through the following questions and scriptures on your own, and get together with your running partner, life group, or friends and family to talk through what you are learning.
