DIGGING DEEPER

VOICES 2023

JULY 9-30

Every year we bring in some amazing people to hear their story and how God is using them in their sphere of influence. This year we wanted to hear from people who live in Austin and are making a difference here in our city and beyond.

Work through the following questions and scriptures on your own, and get together with your running partner, life group, or friends and family to talk through what you are learning.

DISCUSSION QUESTIONS

1. What intrigued you about this message?
2. Can you relate to what you heard in the message? Has this same idea/challenge come up in your life before, or is it new?
3. How does what you heard affect your life right now (maybe it speaks to something you are going through, struggling with, looking into, etc.)?
4. What challenged you?
5. What is your next step to apply what you heard?
6. Is there someone you feel prompted to share with, about what you've learned from the message?
